ITPC Director

Dear Buyers,

On behalf of the Investment and Trade Promotion Center (ITPC) of Ho Chi Minh City and our members, I'd like to thank you for your interest in sourcing from Vietnam!

International buyers who've diversified their supply base have discovered the quality products, competitive prices and excellent service our suppliers offer. These factors, plus a skilled workforce, an abundant supply of raw materials and favorable government support, have attracted buyer attention and orders to Vietnam.

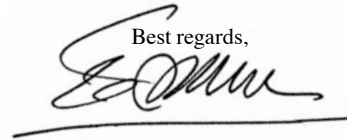

The ITPC is a government agency facilitating investment and trade in Ho Chi Minh City. With our main functions of export promotion and attraction of foreign direct investment, ITPC acts as an efficient bridge between local enterprises and foreign counterparts. We offer a one-stop solution to assist domestic and international enterprises in trade and export promotion.

We are delighted to establish bilateral cooperation with the Kearny Alliance to help qualified suppliers reach buyers worldwide and give buyers access to quality suppliers.

Likewise, we appreciate Global Sources for generously providing valuable export assistance through Global Sources Online for the suppliers featured in the Vietnam Sourcing Reports.

Working together, the ITPC, a government agency, Global Sources, a for-profit enterprise, and the Kearny Alliance, a nongovernmental organization, join hands to bring quality buyers and suppliers together to trade, create jobs and ensure sustainable prosperity.

Best regards,

Tu Minh Thien
